

Margin Questions Chapter 10

A Democratic Revolution  
(314-340)

Name/Date/Period \_\_\_\_\_

Question 1 (316) **Identify Causes:** What was the relationship between the growth of democracy and the emergence of political parties?

---

---

---

---

---

---

---

---

Question 2 (319) **Understand Points of View:** Why did Jacksonians consider the political deal between Adams and Clay “corrupt”?

---

---

---

---

---

---

---

---

Question 3 (320) **Explain Consequences:** What were the successes and failures of John Adams’s presidency, and what accounted for those outcomes?

---

---

---

---

---

---

---

---

Question 4 (321) **Trace Change over Time:** Jackson lost the presidential election of 1824 and won in 1828: what changes explain these different outcomes?

---

---

---

---

---

---

---

---

Question 5 (323) **Identify Causes:** Jackson cut the national budget and the national debt but increased the number of federal employees. How do you explain this paradox?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

Question 9 (332) **Explain Consequences:** How did the Taney Court and the Jacksonian state constitution alter the American legal and constitutional system?

---

---

---

---

---

---

---

---

---

---

Question 10 (333) **Compare and Contrast:** How did the ideology of the Whigs differ from that of the Jacksonian Democrats?

---

---

---

---

---

---

---

---

---

---

Question 11 (335) **Identify Causes:** What factors led to the demise of the Anti-Masonic and Working Men's political parties?

---

---

---

---

---

---

---

---

---

---

Question 12 (339) **Understand Points of View:** How did Whigs and Democrats view women in politics, and why did they hold those views?

---

---

---

---

---

---

---

---

---

---
