

Margin Questions Chapter 17 Industrial America: Corporations and Conflict (1854-1890)

Name/Date/Period _____

(544-571)

Question 1 (547) **Identify Causes:** Why did large corporations arise in the late nineteenth century, and how did leading industrialists consolidate their power?

Question 2 (549) **Explain Consequences:** What opportunities did the rise of corporations offer to different types of “middle workers” –those who were neither top executives, nor blue-collar laborers?

Question 3 (551) **Trace Change Over Time:** How did conditions change for industrial workers in the late nineteenth century, and why?

Question 4 (558) **Understand Points of View (POV):** What factors accounted for the different expectations and experiences of immigrants in this era?

Question 5 (564) **Explain Consequences:** What were the long-term consequences of the Chinese Exclusion Act for U.S. immigration policy?

Question 6 (566) **Compare and Contrast:** How did the methods used by railroad workers to protest their working conditions compare with the tactics employed by the Greenbackers, who also sought reform?

Question 7 (567) **Identify Causes:** What factors contributed to the rapid rise of the Knights of Labor? To its decline?

Question 8 (569) **Place Events in Context:** Why did farmers and industrial workers cooperate, and what political objectives did they achieve?

Question 9 (570) **Trace Change Over Time:** How did the key institution and goals of the labor movement change, and what gains and losses resulted from this shift?
